

FIG. 1

2/3

Data that can be used for mutual plans among all (#1, #2, and #2)

Data that can be used for mutual plans for #1 and #2

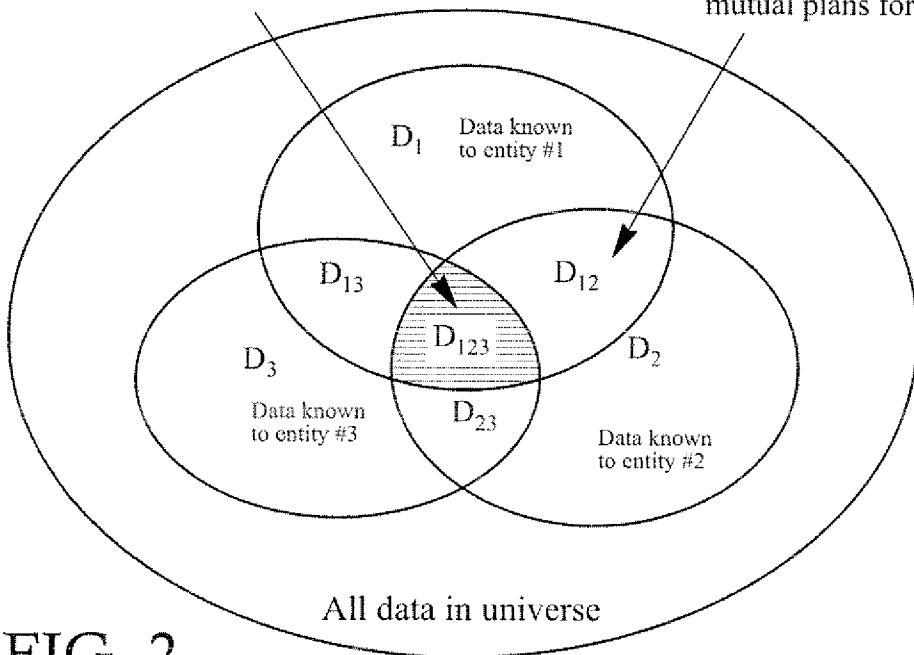

FIG. 2

Communications between #1 and #2 expands the data that can be used for mutual plans between them

If #2 later communicates with #3, and communicates data obtained from #2, that will expand the data that can be used for mutual plans among all
